Some money she blowin', some money she save

She know he wanna fuck and that's how she want it to stay

Cuz that's how she get paid, she see's him and please him

She gotta boyfriend, but she really don't need him

Cuz half the time she feed him, he a muthafuckin' roach

She wanna baller baller, that nigga is broke

G'Yeah, now everybody in the club gettin' tipsy

Drop ya panties hoe, let me see the peep-show
Make a playa grin til' you see them teeth glow
Yeah it's Rasaan, cocky nigga from the south

Let me see ya show-out, know what I'm talkin' bout
Let me have ya number, can I call ya at the house
Don't act lame, don't play no games
It's the Color Change, got the cranberry Range
Take it to the floor, let me see ya get crunk
Pop, Pop, Pop it like my popped-trunk

My niggaz in the back, and we blowin' on skunk

You slidin' down the poll, ya butt muscles is jumpin'
Walk the dog and show me somethin'

You crawlin' like a lion, tellin' me come with ya finger
Make yaself cum with ya finger, touch ya tongue with ya finger
So kinky-rink and blink-me, what you thinkin'?, what you drinkin'?
XO got me feelin' like a kingpin, I ain't trippin' I'ma keep my thing in
I'm no tipper or tippers, no up-lifter or strippers
But you sizzle fa-shizzle, won't you un-zip my zipper
I sipped a lil liquor, 'finna flip and get some fiddles
Got cash like Jed Clappet, tip a stripper, lift a little
-You too uptight

All off in the club, 5 vogues and candy doors
Then you know it's a pimp drill, this is the pimp drill
You got some money better spend it on these hoes
Then you know it's a pimp drill, this is the pimp drill
When I come through they all gon' break me off a show
Cuz you know it's a pimp drill, this is the pimp drill
You gotta problem with it let a nigga know
