

# Get It Again

Champaign

Do, do-do, dee, do, do

Ooh-ooh...

Ooh, yeah

You are the one that tore me apart  
And left me alone in the dark  
A dimly lit room, familiar perfume  
A silhouette dance in the dark

I hold you closer to me  
We're gonna make it, together  
Over and over and over again  
Don't look back, don't try to pretend  
Get that feelin', ay, get it again

Oh-oh-oh, ay, get it again  
Oh-oh, baby, get it again  
Oh-oh-oh, oh-ooh, get it again

Your innocent eyes, your careful replies  
A nervous embrace as we dance  
Afraid to go on, refuse to go back, yeah  
A traitor to love in the past

I feel the heat of your touch  
Just like before, together  
Over and over and over again  
Don't look back, don't try to pretend  
Get that feelin', get it again

Oh-oh-oh, ay, get it again  
Baby, get it again  
Mmm, over and over  
Again and again and again  
Get it again  
Mmm, ay, get it again  
Over and over again  
Get it again  
Get it again
