

How Bout Us

Champaign

Ooh, short and sweet
No sense in draggin' on past our needs
Let's don't keep it hangin' on
If the fire's out, we should both be gone

Some people are made for each other
Some people can love one another for life, how 'bout us
Some people can hold it together
Last through all kinds of weather, can't we

Now don't get me wrong
'Cause I'm not tryin' now to end it all
It's just that I have seen
Too many lover's hearts lose their dreams

Some people are made for each other
Some people can love one another for life, how 'bout us
Some people can hold it together
Last through all kinds of weather, Can't we

How 'bout us
How 'bout us, baby
How 'bout us
How 'bout us, baby

Are we gonna make it girl
Are we gonna drift an drift an drift together

Some people are made for each other
Some people are made for another for life, how 'bout us
Some people can hold it together
Last through all kinds of weather, tell me, can we
