

# My Fool

Champaign

I've always been the one to walk away  
There's never been someone that could make me stay  
What makes her think that she can bring me something new  
I hear a heartbeat of a fool

Summer love and fairy tales never last too long  
She says it's forever  
I tell her she's wrong  
And every chance I've had, I've lost  
And I don't know what to do  
She calls me her baby (my baby)

I call her my fool

I've always spent my time just running around  
Never been able to settle down

And then I came across what everybody needs  
Someone who believes  
Summer love and fairy tales never last too long  
She says it's forever  
I tell her she's wrong  
And every chance I've had, I've lost  
I don't know what to do

She calls me her baby (my baby)  
I call her my fool  
I've done it for glory (done it for glory)  
I've done it for gain (done it for gain)  
I've done it for freedom  
And I've done it for fame  
I've done it in fear  
And I've done it for fun  
But when push comes to shove  
I've never done it for love  
Summer Love

Every chance I've had, I've lost  
And I don't know what to do  
She calls me her baby (my baby)  
I call her my fool  
Summer Love  
Summer Love and fairy tales never last too long  
She says it's forever  
I tell her she's wrong  
And any hope that this won't end  
With a heart that breaks in two (breaks in two)  
She calls me her baby (my baby)  
I call her my fool  
My baby (my fool)
