

# Prisoner

Champaign

In every life comes a time  
There's a moment of truth  
I'm no exception, this is mine  
And I don't know what to do

Like a ghost, like a specter  
You keep haunting my heart  
On every side, ooh, on every level  
I feel I'm falling apart

If you knew just how I feel  
When I spend the night alone  
You wouldn't lead me on this way  
'Cause I'm chained to the telephone

I'm just a prisoner  
Oh-oh, doing hard time  
I'm just a prisoner  
A victim of a tortured mind

You act tough, you say you're busy  
I know better than that  
I know you're scared, ooh, it makes me crazy  
I feel I'm caught in a trap

I wish you knew just how I feel  
I think about you all the time  
My fantasies are far too real  
I just can't get you off my mind

I'm just a prisoner  
Oh-oh, doing hard time  
I'm just a prisoner  
A victim of a tortured mind

Dr. Jekyll, Mr. Hyde  
I seem to change overnight  
This desire, ooh, I can't deny  
I've got to have you, have you  
Have you tonight

I wish you knew just how I feel  
I think about you all the time  
My fantasies are far too real  
I can't get you off my mind, ow!

I'm just a prisoner  
Oh-oh, doing hard time  
I'm just a prisoner  
A victim of a tortured mind, whoo!

I'm just a prisoner  
Oh-oh, doing hard time  
I'm just a prisoner  
A victim of a tortured mind...
