

Spinnin'

Champaign

Whoo! Yeah

Spin me, baby

Spinnin' like a top, all hopped up
Ooh, baby, spin me, girl
Spinnin' like a top, all hopped up

It is nighttime
Won't you come out and play with me, girl
It is nighttime
Please, come on out play with me, baby

Spinnin' like a top, all hopped up
(Sure wish I could be with you tonight)
I wanna be
Spinnin' like a top, all hopped up
(Sure wish I could be with you tonight)

It is nighttime
Please, won't you come out and play, girl
It is nighttime
Nighttime, oh, won't you come out and play

Spinnin', spinnin' like a top
On a merry-go-round, but I can't get off, ooh...
(Sure wish I could be with you tonight)
Come out, girl
Spinnin', spinnin' like a top
On a merry-go-round, but I can't get off, ooh...
(Sure wish I could be with you tonight)

Girl come on out
I wanna hold you
I wanna be with you
And make some love tonight

I'm spinnin', spinnin' like a top
On a merry-go-round, but I can't get off, ooh...
(Sure wish I could be with you tonight)
Wanna make some love
Spinnin', spinnin' like a top
On a merry-go-round, but I can't get off, ooh...
(Sure wish I could be with you tonight)
And I wanna love you

(See me spinnin')
I'm spinnin', spinnin' like a top
On a merry-go-round, but I can't get off, ooh...
(Sure wish I could be with you tonight)
(With you tonight)
Spinnin', spinnin' like a top
On a merry-go-round, but I can't get off, ooh...
(Sure wish I could be with you tonight)
And I wanna hold you, and I need you, girl

(See me spinnin')

I'm spinnin', spinnin' like a top
On a merry-go-round, but I can't get off, ooh...
(Sure wish I could be with you tonight)
(With you tonight)
Spinnin', spinnin' like a top
On a merry-go-round, but I can't get off, ooh...
(Sure wish I could be with you tonight)
