

Rise

Chance Peña

Can't slow down
I've been sleep walking
Wide awake
Hear my dreams talking

My heart races, my heart races
Gonna chase it, gonna chase it

I will rise
Feel so alive
I will run, I will fly
I will fuel the flames inside
I will rise

Count me down
Just keep callin'
Time runs out
I'll be free fallin'

All of the faces, all of the faces
My heart races, my heart races

I will rise
Feel so alive
I will run, I will fly
I will fuel the flames inside
I will rise

Ooooooh ooooooh ooh
Ooooooh ooooooh ooh
Ooooooh ooooooh ooh
Ooooooh ooooooh ooh

I will rise
I feel so alive
I will run, I will fly
I will fuel the flames inside
I will rise
Open my eyes
I will rise
