

# Spinning

Chance Peña

I feel a little lost right now  
Do you think you could help me out?  
'Cause I can't seem to find my heart  
It's pretty hard to see in the dark

Don't know how you can be this far  
And still tear me apart

Don't stop, look away  
I've been getting used to living with the pain  
Oh, Lord, my God  
Tell me what to do so I can make it stop

You locked me away in a loveless cage  
And I just wanna say

I don't know how you feel about it  
Do you even care to carry on?  
We were bona fide lovers  
Sitting under stars, making love in the summer  
I don't know how you feel about it  
But I couldn't bare to see you fall  
So as long as I'm living  
I'll give you all I've got till the world stops spinning

Could hit you with a wall of sound  
And see how well you drown me out  
I don't know why you do it to me  
It's like you'd much rather be free  
Oh, my love  
Tell me, where did you go?

You locked me away in a loveless cage  
And I just wanna say

I don't know how you feel about it  
Do you even care to carry on?  
We were bona fide lovers  
Sitting under stars, making love in the summer  
I don't know how you feel about it  
But I couldn't bare to see you fall  
So as long as I'm living  
I'll give you all I've got till the world stops spinning

Don't wanna break, don't wanna break down  
Or throw away the love that we found, you know  
Said as long as I'm living  
I'll give you all I've got till the world stops spinning  
Don't wanna break, don't wanna break down  
Or throw away the love that we found, you know  
Said as long as I'm living  
I'll give you all I've got till the world stops spinning
