

# Sun Goes Down

Chance Peña

Where you at when the sun goes down  
Feelin' free and there's no one around  
Tell myself to keep trusting you  
But I never want to hear the truth  
Where you at when the sun goes down

When the sun goes down  
Oh there's no one around  
Just you and me  
When the sun goes down  
Got nowhere to go  
Let's both lose control  
Just you and me  
When the sun goes down  
When the sun goes down  
When the sun goes down

Faithfulness is attractive,  
Don't push and pull like elastic  
It's a muscle, like a habit  
Yeah, you know I gotta have it, mm mm

Don't want to call this misbehavior, but I have to  
Better now than later, mm

Won't you hear me out  
Oh please don't let me down  
You're the best that I have found  
And I don't want to lose you, lose you, lose you

When the sun goes down  
Oh there's no one around  
Just you and me  
When the sun goes down  
Got nowhere to go  
Let's both lose control  
Just you and me  
When the sun goes down  
When the sun goes down  
When the sun goes down

Won't you hear me out  
Please don't let me down  
You're the best that I have found  
And I don't want to lose you, lose you, lose you

When the sun goes down  
Oh there's no one around  
Just you and me  
When the sun goes down  
Got nowhere to go  
Let's both lose control  
Just you and me  
When the sun goes down  
When the sun goes down  
When the sun goes down
