

Up, Up & Away

Chance Peña

I want to go up, up and away
From this place that I call home
I've been waiting for the day since I was seventeen years old
I just want to show them that I can make it on my own
I want to go up up and away
Up, up and away

Da-da-da-da-da-da-da

Ninety-seven more days until I'm living out in the worlds
If it's true what they say then I'll turn my problems into pearls
'Cause I've heard the stories of people run back home
I still want to go up, up and away
Up, up and away

Da-da-da-da-da-da-da

Da-da

Da-da-da-da-da-da-da

Ooh, ooh, ooh

Ooh, ooh, ooh

Ooh, ooh, ooh

Ooh, ooh, ooh
