

# Found A Good One (Single No More)

Chance the Rapper

Ladies (Yeah), fellas (Ayy, ayy)  
Let me tell y'all musty crusties something (Ayy, ayy, ayy, ho)  
Like that, look

I'm not single no more  
I ain't single no more  
I'm not single no more  
I ain't single no more  
I'm not single no more  
I ain't single no more  
I'm not single no more  
I ain't single no more  
I'm not single no more  
I ain't single no more  
I'm not single no more  
I ain't single no more  
I'm not single no more  
I ain't single no more  
I'm not single no more  
I ain't single no more  
I'm not  
I done messed around and found a good one

Made just for me, yeah, made just for me  
And I found one  
I done messed around and found a good one  
Made just for me, for me, for me, for me

Now what you witnessed was a parallel paradigm  
You was there, you just wasn't there in time  
Turns out she the marryin' kind  
Very smart and she very fine, and she very kind  
Give me kisses in her spare time  
And she's very mine  
With her hair up in a bun, she surprise me with the lunch  
She just tell me when it's done, it's every sign  
I be cryin' in the club, like this birthday is a dub  
Okay this birthday is a dub now where's my boo  
20, 20, 20, 20 vision, I see you  
2020 I'ma try and be around you  
This shit is exactly what our twenties for  
Let's keep goin' we got plenty more, ayo

I ain't single no more  
I ain't single no more  
I ain't single no more (Like that)  
I ain't single no more  
I ain't single no more (What they do, what they do)  
I ain't single no more (What they do, what they do)  
I ain't single no more (I ain't single no more)  
I ain't single no more  
I done messed around and found a good one  
Made just for me, yeah, made just for me  
And I found one  
I done messed around and found a good one  
Made just for me, for me, for me, for me

Now what you witnessed was the term, was the pledge

The prestige, you can feel it in the breeze, turn the bird to debris  
Turn the fur to the Nair, it's a thousand degrees, set it free  
I prefer if you pop Perc' with me

Slow motion (Motion, motion)  
What you witnessed is a girl and a man  
Coming together in love

Look  
I ain't single no more  
I'm not single no more  
I ain't single no more  
I ain't single no more  
I'm not single no more  
I ain't single no more  
I ain't single no more  
I'm not single no more  
I ain't single no more  
I'm not single no more  
I ain't single no more  
I'm not single, I'm-I'm not single, no I'm not s-  
I ain't single no more  
I done messed around and found a good one  
Made just for me, yeah, made just for me  
And I found one  
I'm not single no more  
I done messed around and found a good one  
(More, more, more, more)  
Made just for me, yeah, made just for me  
(More, more, more, more)  
And I found one

Look  
I ain't single no more  
I'm not single no more  
I ain't single no more  
I ain't single no more (And I found one)  
I ain't single no more  
I'm not single no more  
I ain't single no more  
More, more  
I ain't single no more  
More, more  
I ain't single no more  
More, more  
I ain't single no more (What they do, what they do)  
(What they do, what they do)  
I'm not single no more (Ladies)  
I'm not single no more (Ladies)  
I'm not single no more (Fellas, ayy)  
I'm not single no more (Ayy, ayy)  
More, more (Ladies)  
More, more (Ladies)  
More, more (Fellas, ay)  
More, more  
Now stop calling his phone, I see what you doin'

More, more  
No, don't club him (More)  
Don't text him (More)  
That's right, that's right (More)  
That's right, that's right (More, look)  
I ain't single no more (More)  
I ain't single no more (More)

I ain't single no more (More)  
I ain't single no more (More, more)  
Now step, now step to the left (More)  
Now step, now step to the right (More)  
Now step, now step to the left (More)  
Now step, now step to the right (More, more)  
Now step, step, step to the left  
Now step, step, step to the right  
Now step, step, step to the left  
Now step, now step, now step, now step  
I ain't single no more (Now step, step)  
I'm not single no more  
I ain't single no more (Now step, step)  
I'm not single no more  
I ain't single no more (Now step, now step)  
I'm not single no more  
I ain't single no more (Now step, step)  
I'm not
