Chance the Rapper

Shawty, she got the body
She did the Molly proudly
Gon' do this ??
Right after party, slapy
She extra choppy
She just hit the party
I love that bitch, she perfect body
The perfect thigh!
(2x)

You are the prototype
I love you like you love your photo likes
When you post your life
Some of these hoes wanna Instagram me
You out here tryna win you an Insta-Grammy
Ain't your momma tryna hundred Benja
I sorry Ms Jackson but you got to this
Would you be my old bitch, if you learn new tricks?
