

Palm Tree

Chancellor

I'm so high
Haneureul manjil su isseo
Feel alright
Tteugeoun yeoreum aneseo
Up all night
Jeo nopeun taeyang arae
Yeojeonhi nal gidarigo neol bureuneun
Igoseun machi Paradise

Palm trees in the city
Nan maeil bam
Sangsang soge geurineun badatga
Ibeon yeoreumeun kkok tteonaja
It's alright, it's alright
Keodaran yajasu miteseo
Danduri sarangeul nanugopa
Myeot nyeonjjae ireon saenggage hwak
Yeah, this time, this time
I'm headed to the west side
Eodideun baby, let's ride
Neowa hamkkeramyeon nan joa
Yeohaengeul tteonaja
Let's get away tonight

I'm so high
Haneureul manjil su isseo
Feel alright
Tteugeoun yeoreum aneseo
Up all night
Jeo nopeun taeyang arae
Yeojeonhi nal gidarigo neol bureuneun
Igoseun machi Paradise

Out on the west side
Hawaie jamkkan nolleo gaseo
Jjikgo watji yeonghwa
Fresh tuna eating good
Neureonaneun baetsal
Light one while
I watch the sunrise

Then I vacay in LA
Listening to Dre day
Riding with my bros
I'm just waiting for my pay day
Calling on my baby
Like it's gon' be ok
But yeah, I live that swipe life
I just swiped a Rolex

Puffing on these rappers
All day made me thirsty
So I fill my cup up with the dirty
Yeah, I Uber everywhere and
My destination to the money
Tell the driver that we're in a hurry

I'm so high
Haneureul manjil su isseo
Feel alright
Tteugeoun yeoreum aneseo
Up all night
Jeo nopeun taeyang arae
Yeojeonhi nal gidarigo neol bureuneun
Igoseun machi Paradise
