

# Actin Different

Chanel West Coast

Ima try, Ima try to be considerate  
Ima try, Ima try not to be ignorant (Ima try)  
I been gettin' money, I been so rigorous  
Every step I take, I swear that it's deliverin'  
You be wildin', actin' funny, are you finished yet? (You done?)  
You be chasin' ones, I'm plottin' on a hunnid million, yes  
I'm takin' it a hunnid million bits (1, 2, 3, 4)

I might be actin' different  
Next time, next time you see me  
Next time you see me, yeah  
I might be actin' different (I might, I might)  
Next time you see me  
Next time you see me, yeah  
I might be actin' different

Errybody, errybody gettin' love prob'ly had 'em hatin' first (Prob'ly, prob'ly)  
Let success make the noise, yeah, that always hit 'em where it hurt (Boom, boom, boom)  
Take the good with the bad, it could always be worse  
I don't say nothing, rumors circle like a circus (I throw 'em out)  
My life is almost close to perfect  
I know, I know you mad but for me it is worth it

Next time you see me  
Next time you see me, yeah  
I might be actin' different  
Next time you see me  
Next time you see me, yeah  
I might be actin' different (Workin', workin', workin', workin')  
Next time you see me  
Next time you see me, yeah  
I might be actin' different  
Next time you see me  
Next time you see me, yeah  
I might be actin' different  
Yeah

My whip different, my crib different  
My swag different, my laugh different (Haha!)  
Some say I'm brainless, just lucky getting famous (What?)  
But they just think it too basic  
Sayin' shit with no basis (No basis)  
Been rappin' since I had braces  
Never been complacent (Nah)  
Had a big dream and chased it  
My vision clear, no Lasik  
What's on my mind, I say it (Say it)  
I can't lie, I'm blatant (Blatant)  
Don't be mad I made it  
I draw the lines, you trace it  
When I was comin' up, you hate it  
Now I act different, just face it

I might be actin' different  
Next time, next time you see me

Next time you see me, yeah  
I might be actin' different  
Next time you see me  
Next time you see me, yeah  
I might be actin' different  
Next time you see me  
Next time you see me, yeah  
I might be actin' different  
Next time you see me  
Next time you see me, yeah  
I might be actin' different
