Catch me out living Miami, Willy beeming with the Louis  
I'm the queen of some Lamb beans, stay dripped in balla jewelry  
No other team, we live the dream, that's just the way we do it B

I'm about what's happening, stay all about my fashion  
These drinks yeah we be smashing, getting money that's my passion  
Loaded like I'm blastin', you can't get it, why you asking  
Got Fendi in my mansion, flashing like Kardashian
