

## A Lover's Holiday

Change

Not a cloud shown out in the sky  
That very night in Pitch Black City  
I was so damned scared, it was dark  
It was so dim, it was a shame  
Just then a man walked up to me and said,  
"Didn't I see you here before?"  
The lights were low and the party was so dull  
Just how would he know?

Holiday (Ey, hey, hey, hey, hey)  
Holiday (Holiday, what you say)  
Holiday  
Celebrate (Ah yeah)

Holiday  
Holiday (Alright)  
Holiday  
Celebrate (Woo)

Then we both held hands in each other  
Saw a chance to start a new thing  
He reached deep inside of his vest  
And in his hand he held a ring  
Let's have lunch, picnic or a brunch in the wintertime  
Let's disco down in a rollerskating ring in Alaska town

Holiday (Holiday)  
Holiday (Come on, come on celebrate)  
Holiday (Woo, woo, woo, woo)  
Celebrate

Holiday (You got the feeling, come on, keep ahead)  
Holiday (Reelin' holiday, yea, yea)  
Holiday (Owww)  
Celebrate

Not a cloud shown out in the sky  
That very night in Pitch Black City  
I was so damned scared, it was dark  
It was so dim, it was a shame  
Just then a man walked up to me and said,
