

# My Heart Can't Take Much More

## Changing Faces

Don't leave  
This way  
Oh baby  
Ooooh ooh ooh

Please stay  
Find a way

Oh, ooh

Did I ever hurt you, intentionally  
Did I ever mean to make this love stay  
Didn't know how fragile love could be  
Or just how easy it brakes, oh no

Don't be so cruel, baby we can work it out  
Like all the other times before  
Why don't you turn around, don't throw it all away  
Believe me we got something worth fighting for, yeah

Baby don't leave  
Leave me this way  
I've been hurt once before  
And my heart can't take much more  
Baby please stay  
Let's find a way  
Don't you walk out that door  
Cause my heart can't take much more

Mmmmm, listen

This is just crazy though the changes we go through  
And all this confussion, with no communication  
I want you baby and nobody else, no  
Cause my heart is greevin' over you, hey

How can I break through this wall of silence  
Your taleless eyes are telling me a way through, oh  
I'll do anything that you want me to  
Just talk to me, tell me what I need to do  
But baby don't leave

Baby don't leave  
Leave me this way  
I've been hurt once before  
And my heart can't take much more  
Baby please stay  
Let's find a way  
Don't you walk out that door  
Cause my heart can't take much more

I've got no pride  
I got nowhere else to hide  
Cause you made up your own mind  
I never dreamed that things could get this bad now  
Look me in the eyes  
And tell me that you don't love me

Cause I know, baby I ain't got no business  
Leavin' in this world without you  
In it, no way  
I'm down on my knees beggin' you please  
Stayyyyyyyyyy

Baby don't leave  
Leave me this way  
I've been hurt once before  
And my heart can't take much more  
Baby please stay  
Let's find a way  
Don't you walk out that door  
Cause my heart can't take much more

I just can't take it no more, ohhhhhhhhhhhhhh

Baby don't go  
This way, oh no baby  
I can't take much more, can't take much more  
Baby please stay, baby please stay  
Gonna find a way

Oh uh uh no no no  
Oh uh uh no no no  
Oh uh uh no no no  
Oh uh uh no no no
