

# Thoughts Of You

## Changing Faces

I'm having these thoughts of you  
And I don't know what to do  
I'm having these thoughts of you

I'm having these thoughts of you  
And I don't know what to do  
I'm having these thoughts of you  
And I don't know what to do  
I'm having these thoughts of you

I'm having these thoughts of you  
And I don't know what to do  
I'm having these thoughts of you  
And I don't know what to do  
I'm having these thoughts of you

I'm having these thoughts of you  
And I don't know what to do  
I'm having these thoughts of you  
And I don't know what to do  
I'm having these thoughts of you

I'm having these thoughts of you  
And I don't know what to do  
I'm having these thoughts of you  
And I don't know what to do  
I'm having these thoughts of you  
I'm having these thoughts of you

Thoughts of you going through my mind again  
Makes me feel the way I do for you  
Thoughts of you going through my heart again  
Makes me feel the way I do for you

I try hard to relax when I try to get right through it  
My mind says no but my heart says do it  
And I really don't know why, why I feel this way  
Heart is pounding in and out, up and down  
There I go having thoughts of you

Thoughts of you going through my mind again  
Makes me feel the way I do for you  
Thoughts of you going through my heart again  
Makes me feel the way I do for you

Don't get me wrong I really like what I'm feeling  
You soothe me inside your love I can't deny  
I'm just not used to love coming this way  
The way you walk, you move and talk  
There I go having thoughts of you

Thoughts of you going through my mind again  
Makes me feel the way I do for you  
Thoughts of you going through my heart again  
Makes me feel the way I do for you

Thoughts of you going through my mind again

Makes me feel the way I do for you  
Thoughts of you going through my heart again  
Makes me feel the way I do for you

You're always on my mind all the time  
You're always on my mind, oh yeah  
You're always on my mind all the time

Thoughts of you going through my mind again  
Makes me feel the way I do for you  
Thoughts of you going through my heart again  
Makes me feel the way I do for you

Thoughts of you going through my mind again  
Makes me feel the way I do for you
