Saekki yeah  
Made it snow up in the summer turned my heart cold  
See the smile that's on my face but I feel hollow  
I ain't 'sposed to be here right now  
Ssibal, God knows, ssibal, God knows  
Made it snow up in the summer turned my heart cold  
Sun is out but trust me all that shit gets darko  
I ain't 'sposed to be here right now  
Ssibal, God knows, ssibal, God knows  
But I'm far from home  
Way far from home  
We came too far from home  
We came too far from home
