

## Star Ceiling

Changmo

Back when I was broke  
It was me and bro  
Post up by the street store  
Post up where the fiends know  
Devil want my soul  
Put that on my folks  
Out here smoking big dope  
I live what I speak

A yungin from the block like me  
Girl are you sure this what you want  
Fuck what they be talkin bout  
Cuz I know exactly who you are  
Is it that bad to ask for someone to go down with you  
If shit go down south baby I could die with you  
And I know you don't like the life I chose  
I know that you  
Don't you know I'd give you everything  
Don't you know I'd give you everything
