

Green Light

CHANMINA

If you wanna play
I can make your day
But I get my way when the lights go down
We can get a room
But I'm telling you
What we're gonna do when the lights go down

Break in
Don't stop it
I'm coming on in
Mada anata o yoku shiranai
Like a adamutoibu
Shinobiashi toiki-majiri
So sukyandarasu night

Atetsukenaide yo jerashi
Moshi sōnara anoyo de cemetery
RIP
I'ma love you like a ecstasy
If ya get with me
Then ya getting me, uh

Moshi anata ga asobitainara
Raito o gurin ni sureba i
Kono raito ga aka no mama ja
Nanimoshinai
When the lights go

Green light, green light
You want that
Green light, green light
Na na na na na
Green light, green light
I got that green light
Oh oh oh oh oh

On your mark
And are ya ready
Ready set and go like
Inara go
It's time for a show right?
It's time for a show right?
No you never say no right?
