

In The Flames

CHANMINA

You think you know
Know what it's like
You're seeing smoke
But don't see the light
Tell me to slow down
But I don't wanna slow down, no

And I hope I didn't show you
There's no smile behind the mask
Won't believe if I told you
I'm fine with that

Call it insanity
I'm where I'm supposed to be
Right in the flames
I'll be okay
Nothing to save
All of the lonely nights
All of the tears I cry
Are worth all the pain
There's nothing to save
I'll be okay
So leave me in the flames

You think you know
Nanimokamo waku yo
Nareta yotte mata iudarou na
Bakamitaida Ah, no

Moshi watashi ga kimi no
Omou yori zutto
Koware teta to shitara

Doko iku nda yo
Mizu sura nai nda yo
Mō sudeni ukeirete
Emi tte ita
Sutekidatta na
Hibana no chikaku de
Hanikanda watashi wa sekaiichi
Kireidattadeshō

Kireidattadeshō
So leave me in the flames

You think you know
Know what it's like
You're seeing smoke
But don't see the light
Tell me to slow down
