

TOKYO 4AM

CHANMINA

Wake up my heels in my hands
I'm calling up my friends
I'm breaking all of my plans
I just wanna dance

Kyō wa mada kaeritakunai ya
Tsukuriwarai demo ikara
Hey what you doing tonight
I just wanna dance

Ki ga hen ni natte kuru city
Got me up up up all night

Tokyo 4am
Calling you up again
Guess I can't help
That when I'm drunk I miss you
I get messy when I kiss you

I'm like damn
Got my heart in your hands
Guess I can't help that
Ever since I met you
No I can't forget you
