

# Ghosts of You

Chantal Kreviazuk

We were occupied  
We never had to go outside  
I was your alibi  
We were planning our escape

We stayed up all night  
With Lucy and the diamond sky  
Drank cheap red wine  
And talked ourselves to sleep

[Chorus:]

Please don't go  
These ghosts of you  
The only thing that help get me through the day  
Baby please don't go  
Cause I love you  
You're the only one that will stay the same

We could laugh out loud  
And sing until the sun came out  
We took a secret vow that we would never change  
You always loved to dance  
I wish we had another chance  
To go back in time and do it all again

[Chorus]

I don't wanna live forever  
But if we could be together  
Then I wouldn't mind infinity  
I don't wanna live forever  
Oh but I can still remember  
No I wouldn't mind infinity

[Chorus 2x]
