

## First Kiss

Chanté Moore

Do you feel what I feel  
When you kiss me like that?  
I'm not sure if it's love  
I just know you move me

And it feels like  
Ooh, la da da di la ooh yeah  
And it feels like  
Ooh, la da da di la ooh yeah

In the still of the night  
You caress me gently  
Now the breeze lifts me high  
You would think I'm flying

And it feels like  
Ooh, la da da di la ooh yeah  
And it feels like  
Ooh, la da da di la ooh yeah  
It feels like  
Ooh, la da da di la ooh yeah  
And It feels like  
Ooh, la da da di la ooh yeah

You got me swaying to the beat of you  
Hoping, praying it's not a dream  
Swaying to the beat of you  
Hoping, praying it's not a dream

You got me swaying to the beat of you  
Hoping, praying it's not a dream  
Swaying to the beat of you  
Hoping, praying it's not a dream

You've got me swaying to the beat of you  
You've got me swaying...
