

I Got A Secret To Tell You

Chanté Moore

I got a secret to tell ya. There's this boy named Kirk, he like s me. But see, I don't like him, you know? Personally, I'm looking for a friend, not for a-, not-, not for a boyfriend. So today, he was supposed to ask me to go with him, or something like that, and so he didn't, because-, because there's this guy named Petey - he, he came up to me, I mean, I came up to him and I said that I wanted a pencil. And so Shawn heard me, and saw me too, so he said I went right up to him and said, "Come on, Petey..." like 'that', but I didn't. I said, "Come on, Petey, gimme a pencil!", like that, so he's, he lied and told, and so Kirk saw him, he saw him and got mad at me and he called me the 'B-word'. And I don't like people getting mad at me, even at somebody I don't like. I mean, for a friend I like him, but hm, not as a boyfriend.
