

# You Can't Leave Me

Chanté Moore

Ooh, oh yeah  
Saturday  
You kinda got mad at me  
Then you went and said some things  
I know you didn't really mean  
You said you wasn't feelin' me  
And I can see who I wanna see  
And all that talk about you going to leave  
Who think is gonna believe?  
Cause...

If you was on you're way out the door  
Would've been gone long time ago  
Would've been making plans and packing clothes  
Leaving keys but I got you on your knees

Talk if you wanna talk  
If you wanna walk  
Walk if you wanna walk  
If you wanna front  
Front like you gonna leave  
You know you wanna be here with me  
You can't leave me

Talk if you wanna talk  
If you wanna walk  
Walk if you wanna walk  
If you wanna front  
Front like you gonna leave  
You know you wanna be here with me  
You can't leave me

Late that day  
You wanna get next to me  
And tell me that you're so sorry  
I wasn't stressing about you anyway  
Hmm it's been some days  
And you're still in my face  
Talkin' bout how I feel you babe  
I see I got you hooked on me oh cause

If you was on you're way out the door  
Would've been gone long time ago  
Would've been making plans and packing clothes  
Leaving keys but I got you on your knees

Talk if you wanna talk  
If you wanna walk  
Walk if you wanna walk  
If you wanna front  
Front like you gonna leave  
You know you wanna be here with me  
You can't leave me

Talk if you wanna talk  
If you wanna walk  
Walk if you wanna walk

If you wanna front  
Front like you gonna leave  
You know you wanna be here with me  
You can't leave me

Talk if you want to  
Front if you want  
Be where you want to  
I know you want to be with me  
Talk if you want to  
Front if you want  
Be where you want to  
I know you want to be with me

Talk if you wanna talk  
If you wanna walk  
Walk if you wanna walk  
If you wanna front  
Front like you gonna leave  
You know you wanna be here with me  
You can't leave me

Talk if you wanna talk  
If you wanna walk  
Walk if you wanna walk  
If you wanna front  
Front like you gonna leave  
You know you wanna be here with me  
You can't leave me

Talk if you want to  
Front if you want  
Be where you want to  
I know you want to be with me  
Talk if you want to  
Front if you want  
Be where you want to  
I know you want to be with me
