Break

I take my first steps on foot
Though this wouldn't be easy
I run out towards the string of light
Shining faintly, open my wings

Far, far way, I fly high
Until I touch the end of the sky

Break your box (Break the frame)
Break the pressure, burn them all

I'm alone in the darkness
Where the end cannot be seen
Like a dog on a leash
I can't escape, so why am I still here?
I keep on fighting but nothing has changed
I want to run somewhere far away
To a place where my breath can reach
I'm now going to escape
I open my eyes and slowly
Walk forward, step over step

Far, far way, I fly high
Until I touch the end of the sky

Break your box (Break the frame)
Break the pressure, burn them down
