I don't wanna fall, hold back

Everything is upside down
I just want a life
Swipji ana modeun ge da geudaeroya

Everything is upside down
I just want a life

Everything is upside down
I just want a life

I was young, a suffocating, broken dream
I was dumb, excuses are just too late
Feels like it's all out of my hands
And there's no way back
It's gone
Blame on me

I don't wanna go
I don't wanna fall, hold back
Me in the mirror
Don't have the guts to face
I don't wanna go
I don't wanna fall, hold back

Everything is upside down
I just want a life
But it ain't easy, everything is still the same
Can I get back up again?
Changed my whole lifetime
Everything is upside down
I just want a life

Yeah, yeah, yeah
Yeah, yeah, yeah

I personally wrote myself
Dirty black list
I was sick, no doubt, it was intense
Through it all I got lost like a fool
It's all meaningless now that it's over
I just want to be erased from this world
No, I don't want to be completely forgotten
I just want to disappear without a trace
No, I wanna live it out one more time
Wanna live again

Everything is upside down
I just want a life
But it ain't easy, everything is still the same
Can I get back up again?
Changed my whole lifetime
Everything is upside down
I just want a life

Yeah, yeah, yeah
Yeah, yeah, yeah

Can't avoid it now
Changed my whole lifetime
Everything is upside down
I just want a life
Yeah, yeah, yeah
