

# Freakin' Head

Chauseum

Spending my time hearing a whisper  
My old friend's calling to own me again  
Screaming so loud, crying a river  
I find myself lonely in my head

I'll go too far, I'll run away  
I'm alone no you don't feel my scars  
I'll never find a better way  
I would love to say that I'm sorry  
But you don't care about me

Sit in the dark maybe waiting for my saviour  
I'm still alone in my freakin' head  
So take me, love me, I'm so weak  
Come kiss me, break me as you wish

I'll go too far, I'll run away  
I'm alone no you don't feel my scars  
I'll never find a better way  
I would love to say that I'm sorry  
But you don't care about me

I don't want to live, I just survive, I just survive so I play  
with the other side  
I don't want to live, I just survive, I just survive so I play  
with the other side  
I don't want to live, I just survive, I just survive so I play  
with the other side  
I don't want to live, I just survive, I just survive so I play  
with the other side

I play with the other side!

(Betrayed by my own brain...)

I'll go too far, I'll run away  
I'm alone no you don't feel my scars  
I'll never find a better way  
I would love to say that I'm sorry  
But you don't care about me  
(I will go too far, I need to go away, I'm gonna run away)
