

City Claustrophobia

Chaotic Dischord

Look how looking to survive
Look how trying to stay alive
Go to hell
Go be free
Go to hell in the city
See claustrophobia go to my brain
See claustrophobia
Go to hell
Go be free
Go to hell in the city
Look how looking to survive
Look how trying to stay alive
Go to hell
Go be free
Go to hell in the city
Look how looking to survive
Look how trying to stay alive
Go to hell
