

Dance With Somebody

Chaparelle

Clock strikes upon the hour
And the sun begins to fade
Still enough time to figure out
How to chase my blues away
I've done alright up 'til now
It's the light of the day that's gonna show me how
And when the night falls
Loneliness calls

Oh, I wanna dance with somebody
I wanna feel the heat with somebody
Yeah, I wanna dance with somebody
With somebody who loves me
Oh, I wanna dance with somebody
I wanna feel the heat with somebody
Yeah, I wanna dance with somebody
With somebody who loves me

Don't you, don't you wanna dance?
Don't you? Don't you?
Don't you, don't you wanna dance
With somebody?

I've been in love and lost my senses
Spinnin' through the town
Sooner or later, the fever ends
And I wind up feelin' down
I need a man who will take a chance
On a love that burns hot enough to last
So when the night falls
My loneliness calls

Oh, I wanna dance with somebody
I wanna feel the heat with somebody
Yeah, I wanna dance with somebody
With somebody who loves me
Oh, I wanna dance with somebody
I wanna feel the heat with somebody
Yeah, I wanna dance with somebody
With somebody who loves me

Don't you, don't you wanna dance?
Don't you? Don't you?
Don't you, don't you wanna dance
With somebody who loves me?
