

## Inside The Lines

Chaparelle

Ooh-ooh-ooh-ooh-ooh-ooh-ooh-ooh  
Ooh-ooh-ooh-ooh-ooh-ooh-ooh-ooh  
Ooh-ooh-ooh-ooh-ooh-ooh-ooh-ooh  
Ooh-ooh-ooh-ooh-ooh-ooh

I went to a party, fell in love with Marty  
He thinks I'm his lucky star  
I look him in the eyes  
I can tell that he's a shy boy  
Baby, you're in charge  
You can drive my car  
Can you keep it in between the lines?

Hey, Marty (Yeah?)  
Are you a believer?

Keep it inside the lines tonight  
Keep it inside the lines

Ordered two piña coladas  
No thank you, I want nada  
I'll just have the cherry pie  
I don't mean to be rude  
But I can't trust myself around you  
As long as it's good and well understood  
What's the worst that could happen?

Hey, Marty (Yeah?)  
Are you a deceiver?

Keep it inside the lines tonight  
Keep it inside the lines  
Keep it inside the lines tonight  
Keep it inside the lines

Ooh-ooh-ooh-ooh-ooh-ooh-ooh-ooh  
Ooh-ooh-ooh-ooh-ooh-ooh-ooh-ooh  
Ooh-ooh-ooh-ooh-ooh-ooh-ooh-ooh  
Ooh-ooh-ooh-ooh-ooh-ooh

I'm a high-end singer  
Drop-dead ringer  
Lookin' for a backup band  
But I fell in love with Marty  
And now we play the Hollywood parties  
What you doin' after?  
Elayne, you look shattered  
Baby, let me pick you up

Hey, Marty (Yeah?)  
Are you (Yeah?)  
A redeemer? (Yeah)

Keep it inside the lines tonight  
Keep it inside the lines  
Keep it inside the lines tonight  
Keep it inside the lines

Keep it inside the lines tonight  
Keep it inside the lines  
Keep it inside the lines tonight  
Keep it inside the lines
