Chapel

Tell me what you think about me
I missed Josh's wedding last week
Your girl seems annoyed, we don't speak
I'm a mess, send my apologies

Are we boys no more?
I'm not sure
But I'm...

I'm coming home
Rico's for takeout, ooh
I'm all alone
And I just need some fuckin' friends
Greek Theater's closed
Ain't got a thing to do
I'm all alone
And I just hit up all my friends

Jordan moved away last fall
Got a spot with some dude named Paul
Yeah, I thought I knew it all
Should've known when I dodged your call

Are we boys no more?
I'm not sure
But I'm...

I'm coming home
Rico's for takeout, ooh
I'm all alone
And I just need some fuckin' friends
Greek theaters closed
Ain't got a thing to do
I'm all alone
And I just hit up all my friends

Tell me what you think about me
I'm a mess, send my apologies

Are we boys no more?
I'm not sure
But I'm...

I'm coming home
Rico's for takeout, ooh
I'm all alone
And I just need some fuckin' friends
Greek theaters closed
Ain't got a thing to do
I'm all alone
And I just hit up all my friends
