Chapel

You're the best
You're the best
You're the best
You're like everything everything
Yes I'm a mess, I'm a mess
But you're lovin me lovin me
Like you're my best friend for life
You're my best friend for life

Had some fun down in Mexico
Did some drugs I ain't done before but
You calmed me down and I thought that was cool of you

You're the best
You're the best
You're the best
You're like everything everything
Yes I'm a mess, I'm a mess
But you're lovin me lovin me
Like you're my best friend for life
You're my best friend for life

I fell in luck then I lost it
I was down if I'm honest
But you calmed me down and I thought that was cool of you

You're the best
You're the best
You're the best
You're like everything everything
Yes I'm a mess, I'm a mess
But you're lovin me lovin me
Like you're my best friend for life
You're my best friend for life

(You're my best friend)
(You're my best friend)
(You're my best friend)
(You're my best friend)

You're the best
You're the best
You're the best
You're like everything everything
Yes I'm a mess, I'm a mess
But you're lovin me lovin me
Like you're my best friend for life
You're my best friend for life

(You're the best
You're the best
You're the best
You're like everything everything
Yes I'm a mess, I'm a mess
But you're lovin me lovin me
Like you're my best friend for life
You're my best friend for life)
