

Why Do U Hate Me

Chapel

I thought we were cool just the other day
I thought we were friends in a funny way
But now that it's over
I'll lose my composure
I know I shouldn't but I gotta say

Hey, why does it feel like you hate me?
I do what you like when it ain't me
So why does it feel like you hate me?
Come on baby oh why

You flash me a smile in a shitty way
You act like I'm dumb for the words I say
Now that it's over
I'll lose my composure
I know I shouldn't but I gotta say

Hey, why does it feel like you hate me?
I do what you like when it ain't me
So why does it feel like you hate me?
Come on baby oh why

Why does it feel like you hate me?
I do what you like when it ain't me
So why does it feel like you hate me?
Come on baby oh why
