

Killing Myself to Sleep

Charice

I've been thinking about you
I've had too much liquor to forget you
It helped me to relax, but it didn't help me to forget you
What's in you? You make me go crazy
Crazy that I'm willing to die for you, baby
But you don't care
But you don't care

Here I am
Killing myself to sleep

Here I am
Killing myself to sleep

I wake up, alive
Without you by my side
Here I am
Killing myself to sleep

What's in you?
You make me go crazy
Crazy that I'm willing to die for you, baby
But you don't care
But you don't care

Here I am
Killing myself to sleep

Here I am
Killing myself to sleep

I wake up, alive
Without you by my side
Here I am
Killing myself to sleep

Yehhh... ohhhhh...

Here I am
Killing myself to sleep

Here I am
Killing myself to sleep

I wake up, alive
Without you by my side
Here I am
Killing myself to sleep
