

Let Me Love You

Charice

If I tell you I wanna be with you
Would you let me
It will take time for you to love me back
But I'm here waiting

Just let me love you
Let me love you
Let me love you
Let me love you

If you decide to open up my heart
Take a look inside
It's been a long time since somebody touched my heart
Finally it's alive

Let me love you
Let me love you
Let me love you
Let me love you
Let me love you
Let me love you
Let me love you
Let me love you
Oohhh...
Let me love you
