

You'll Never Stand Alone

Charice

If there's a time when the tears should fill your eyes And you can't see past the shadows To the sun on the other side Don't despair, because there always will be someone there Don't lose faith, love won't let you lose your way Because

You, you'll never stand alone I'll be standing by I'll keep you from the cold I'll hold you when you cry I'll be there to be strong

When you can't find the strength inside And you, you'll always have a home In these arms of mine You'll never stand alone Love is standing by

If there's a day when the rain should find your heart And you're cold and tired and lonely And this world has you in the dark Don't be scared, you can just reach for me and I'll be there Don't lose hope, love will see you through you know Because

You, you'll never stand alone I'll be standing by I'll keep you from the cold I'll hold you when you cry I'll be there to be strong

When you can't find the strength inside And you, you'll always have a home In these arms of mine You'll never stand alone Love is standing by

Standing by to lift you above all the hurt and pain Standing by to carry you through all the tears and rain Reach for me, I'll be with you Reach for me, I'll see you through

I'll be the one to hold you The one to show you that You, you'll never stand alone I'll be standing by

I'll keep you from the cold I'll hold you when you cry I'll be there to be strong When you can't find the strength inside And you, you'll always have a home In these arms of mine You'll never stand alone Love is standing by
