

Love Bug Blues

Charles Bradley

Burning
Fire

Love bug, aha, done bit me
(Done bit me)
Didn't mean for you to get me
(For you to get me)

Get up in the morning
I'm filled with desire
No no, can't stop the fire

Keep me burning, aha
Keep me tossing, mhm
Keep me turning, aha
Keep me yearning

I've been bitten by a love bug
(By a love bug)
And I, I need some information

Keep me burning, aha (aha)
Keep me tossing, aha (aha aha)
Keep me turning, aha (aha aha aha)
Keep me yearning, aha (aha)

What are you gonna do
When love get a hold, a hold on you?
There ain't nothing you can do
But burn
Burn

Burning, aha
Fire

Burning, aha
Burning
Keep me yearning
Fire
Keep me burning
Keep me burning
Burning
