

Mary's Baby

Charles Bradley

Mm, mm-mm, mm
Oh

As late at night
The stars are shining bright
I look up to heaven
I saw that North star
The angels are singing
Straight to my heart

(We are looking for)
Oh
(We are looking for)
Oh
(We are looking for)
So what we looking for?

Is Mary's baby
(Mary's baby)
I fell down on my knees
(Down on my knees)
Guide me please
(Guide me please)
Oh, I fell down on my knees
(Down on my knees)
Lord, guide me please
(Guide me please)
My soul is for you Lord

I've traveled far
Following that North star
I came to a manger
And I found out who you are
Oh, it's you
My savior

(We are looking for)
Oh
(We are looking for)
Oh
(We are looking for)
What we looking for?

(Mary's baby)
Is Mary's baby
(Mary's baby)
Is Mary's baby
(Mary's baby)
Is Mary's baby
I fell down on my knees
(Down on my knees)
Guide me please
(Guide me please)
Oh, I fell down on my knees
(Down on my knees)
Lord, guide me please
(Guide me please)

I'm down here for ya
I'm down here for ya

(We are looking for)
Oh
(We are looking for)
Oh
(We are looking for)
What we looking for?

(Mary's baby)
Is Mary's baby
(Mary's baby)
Is Mary's baby, ooh
(Mary's baby)
Is Mary's baby

The King of kings
(Mary's baby) Oh
Is Mary's baby
(We are looking for) All for the road
Is Mary's baby
(Mary's baby) Ooh
(We are looking for)
People
(Mary's baby)
Looking, looking
(Mary's baby) Oh
(We are looking for) Oh, oh-oh
My savior
(Mary's baby)
(We are looking for)
Is still
(Mary's baby) On the throne
(We are looking for)
My savior
(Mary's baby) No one could ever Lord
(We are looking for) I'm gonna serve you
(Mary's baby) 'Til the end of time
(We are looking for)
