

# Avoiding Mirrors

Charley Crockett

Have you ever seen a red horse  
Flyin' through the sky  
While ridin' round Dallas?  
All lit up, big and bright  
Sometimes I get a feelin'  
Like I'm crawlin' on the ceilin'  
But I'm still sittin' here  
And avoidin' mirrors

I'm avoidin' mirrors  
And talkin' to myself  
I've been doin' things  
That ain't good for my health

I followed her to Austin  
More than I can count  
Looks like that's a game I  
Haven't figured out  
It really does amaze me  
I ain't gone completely crazy  
I'm still standin' here  
And avoidin' mirrors

You know I hate to say it  
But Fort Worth let me down  
Yes, she really loved to go there  
When she was still around  
I tried to ride a bronco  
I wasn't even at the rodeo  
She left me lyin' here  
And avoidin' mirrors

I'm avoidin' mirrors  
And starin' at a wall  
I've been laughin' out loud  
At the thought of it all

You can find me on the levy  
Just prayin' for a flood  
While runnin' from a red horse  
Still flyin' up above  
Sometimes I get a feelin'  
Like I'm crawlin' on the ceilin'  
But I'm still waitin' here  
And avoidin' mirrors

Yeah, if I gotta be here  
I'm avoidin' mirrors
