

# Horse Thief Mesa

Charley Crockett

I'm going up on Horse Thief Mesa  
I'm going up on Garrapata Ridge

I'm going up in to the canyon  
I'm taking with me reckless abandon  
Lost all I had and I can't stand it  
Horse Thief Mesa

I wasn't always seeking vengeance  
Counted in a class of desperate men  
I once lived in a peaceful valley  
Now I'm hiding my face in an alley  
I'm up here looking for a grand finale on Horse Thief Mesa
