

## Music City USA

Charley Crockett

I think you think that I got lucky  
I see it written on your face  
You say you'd like to fill my shoes  
How easily you take my place  
But if you spare me just a moment  
Before you go to pick and choose  
I think I'll ask you just one question, how would you like to pay my dues?

I shouldn't have come here in the first place  
Cause folks in here don't like my kind  
I hear they've got a lot of reasons  
I think I see them on their signs  
They've got a lot to say in Music City USA

I could draw a line from Texas  
To any place that's on a map  
I might be in California  
Then go to Georgia, be right back  
Up and down the Mississippi, Tennessee River past the Shoals  
There underneath the lights of Broadway  
I'm in the alley with the ghosts

I shouldn't have come here in the first place  
Cause folks in here don't like my kind  
I hear they've got a lot of reasons  
I think I see them on their signs  
They've got a lot to say in Music City USA
