

## When Your Way Get's Dark

Charley Patton

When your way gets dark : baby turn your lights up high  
When you see my man : Lordy he come easing by

I take my baby : seven forty-five

Trouble baby : trying to blow me down  
It wouldn't hurt so bad : but the news all over this town

I love my baby : and I tell the world I do  
What made me love her : you'll come and love her too

Yeah some day baby : well and it won't be long  
She calling me baby : and I'll be gone

I'm going away baby : don't you want to go
