

(It's Just a Matter of) Making up My Mind

Charley Pride

Oh the sun's gonna come up tomorrow
And I'm gonna live to see it shine
I won't stop living just because you're leavin'
It's just a matter of makin' up my mind

My world will keep turnin' without you
Somehow I'll forget you in time
If not today then I will some day
It's just a matter of makin' up my mind

I can survive and get over you
Perhaps not now but there'll come a time

For I can do anything that I have to do
It's just a matter of makin' up my mind
It's just a matter of makin' up my mind
