

5 in the Morning

Charli XCX

I know your type, think you're one in a million
Your diamonds are fake, you ain't golden
I only fuck with the ones who are rare enough
Real enough, down to keep goin'
It's 5 in the mornin'
And I'm goin' all in, I'm busy ballin'

Funny how wherever I wanna go
You wanna be there too
Pull up the sound with your clique (clique)
Tension all up on your wrist (wrist)
Think you're the sickest like you got diseases
But you ain't got nothing on this
I can see you trying, got a big mouth (Na-na-na-na)
Won't you stick around for the come down?
(Come down, yeah)
24/7, I'm 365
Wait for me heaven, I'm here in lockdown
Ah, ah

I'm goin' all in
It's 5 in the mornin', I'm busy ballin'
I ain't even stoppin'
It's 5 in the mornin', I'm so devoted
I'm goin' all in
It's 5 in the mornin', I'm busy ballin'
I ain't even stoppin'
It's five in the mornin'

I'm in my element everyday, birthday cake
You want a piece 'cause it's tasty
We on a roll, we don't stop 'til the bottles all popped
And the pills got me wasted
It's 5 in the mornin' and I'm goin' all in
I'm busy ballin'

Funny how wherever I wanna go
You wanna be there too
Pull up the sound with your clique (clique)
Tension all up on your wrist (wrist)
Think you're the sickest like you got diseases
But you ain't got nothing on this
I can see you trying, got a big mouth (Na-na-na-na)
Won't you stick around for the come down?
(Come down, yeah)
24/7, I'm 365
Wait for me heaven, I'm here in lockdown
Yeah

I'm goin' all in
It's 5 in the mornin', I'm busy ballin'
I ain't even stoppin' (No stoppin')
It's 5 in the mornin', I'm so devoted (Na-na-na-na)
I'm goin' all in (All in)
It's 5 in the mornin', I'm busy ballin'
I ain't even stoppin'
It's 5 in the mornin'

Wherever I go, wherever I go
You wanna be there too
Wherever I go, you wanna know
You wanna be there too
Wherever I go, wherever I go
You wanna be there too
Wherever I go, wherever I go
You wanna be there too

I'm goin' all in
It's five in the mornin', I'm busy ballin'
I ain't even stoppin' (No stoppin')
It's five in the mornin', I'm so devoted (Na-na-na-na)
I'm goin' all in (All in)
It's five in the mornin', I'm busy ballin'
I ain't even stoppin'
It's five in the mornin' (Na-na-na-na)
