

Back to, back to, back to

Back to, back to, back to, back to, back to you

I don't wanna fall right back to us

Maybe you should run right back to her

I don't wanna go back, back to

Back to, back to, back to, back to you

I don't wanna fall right back to us

Maybe you should run right back to her

I don't wanna go back, back to

Back, back, back, back, back, back, back

Fall right back to us

Maybe you should run right back to her

I don't wanna go back, back to

Back to, back to, back to, back to you

I don't wanna fall right back to us

Maybe you should run right back to her

I don't wanna go back, back to

Back to, back to, back to, back to you

I don't wanna fall right back to us

Maybe you should run right back to her

I don't wanna go back, back to

Back to, back to, back to, back to you

I don't wanna fall right back to us

Maybe you should run right back to her

I don't wanna go back, back to

Back to, back to, back to, back to you

I don't wanna fall right back to us

Maybe you should run right back to her

I don't wanna go back, back to

Back to, back to, back to, back to you

I don't wanna fall right back to us

Maybe you should run right back to her

I don't wanna go back, back to

Back to, back to, back to, back to you

I don't wanna fall right back to us

Maybe you should run right back to her

I don't wanna go back, back to

Back to, back to, back to, back to you

I don't wanna crawfall right back to us

Maybe you should run right back to her

I don't wanna go back, back to

Back, back, back, back, back

Back, back, back, back, back

Back, back, back, back, back

Back, back, back, back, back

Back, back, back, back, back

Back, back, back, back, back

Back, back, back, back, back

Back, back, back, back, back

Back, back, back, back, back

Back, back, back, back, back

Back, back, back, back, back

Back, back, back, back, back

Back, back, back, back, back

Back, back, back, back, back

Back, back, back, back, back
Back, back, back, back, back to

Took a long time
Breaking myself down
Building myself up
Repeating it
Took a long time
Breaking myself down
Building myself up
Repeating it

I don't wanna feel fearless
I don't wanna feel fearless
I don't wanna feel fearless
I-I-I

Back to, back to, back to, back to you
I don't wanna fall right back to us
Maybe you should run right back to her
I don't wanna go back, back to

Back, back, back, back, back
Back, back, back, back, back
Back, back, back, back, back
Back, back, back, back, back
Back, back, back, back, back
Back, back, back, back, back
Back, back, back, back, back
Back, back, back, back, back
Back, back, back, back, back
Back, back, back, back, back
Back, back, back, back, back
Back, back, back, back, back
