

Claws

Charli XCX

Like your mind
Like your smile
Like your eyes
I could die
Aeroplane, you answer by
Singing songs by Jeremih

Party time
Hop inside
We're so high
Rollercoaster ride
Diamond bright
Kiss me right, yeah
That's so nice

I like, I like, I like, I like, I like everything about you
I like, I like, I like, I like, I like everything about you
I like, I like, I like, I like, I like everything about you
I like, I like, I like, I like, I like everything about you

So, don't you want me back?
'Cause I know when I know I don't wanna be alone
Don't you want me back?
'Cause I know when I know I wanna go

I'm not shy
Make you sigh
Slip 'N Slide
Up my thighs
Juicy just like clementines
Sorry if I make you cry

Party time
Hop inside
We're so high
Rollercoaster ride
Gemini
Switching sides, yeah
That's so nice

I like, I like, I like, I like, I like everything about you
I like, I like, I like, I like, I like everything about you
I like, I like, I like, I like, I like everything about you
I like, I like, I like, I like, I like everything about you

So, don't you want me back?
'Cause I know when I know I don't wanna be alone
Don't you want me back?
'Cause I know when I know I wanna go

I, I, I, I, I, I think about you
I, I, I, I, I, everything about you
(Everything about you)
(Every) Yeah
(Everything about you)
(Everything about you)
(Everything about you, every)

(Everything about you)
(Everything)
