

# Dream Glow

Charli XCX

(Hey!)  
I spend a whole night sippin' on a good time  
Can't see the stop sign  
What you gonna say?  
(Hey!)  
Wandering blindly  
Please, don't remind me  
You're all that I see, what you gonna say?  
(Hey!)

All I need is someone livin' for the night ride (night ride)  
I can feel it  
You've been beaming like a spotlight (spotlight)  
(Hey, hey!)

I saw you stop and sta-a-a-are  
Why don't you come 'round he-e-e-re?  
You glow, oh-oh-oh  
Glow, oh-oh  
(Hey, hey!)  
Why don't you make a mo-o-o-ove?  
I see you shining throu-ou-ough  
You glow, oh-oh-oh  
Glow, oh-oh  
(Hey, hey!)

You spend a whole night dancing with the wrong type  
Why don't you make right?  
Come and hang with me  
We could be lightnin'  
I know it's frightenin'  
Why are you hidin'?  
What you wanna say?

All I need is someone livin' for the night ride (night ride)  
I can feel it  
You've been beaming like a spotlight (spotlight)  
(Hey, hey!)

I saw you stop and sta-a-a-are  
Why don't you come 'round he-e-e-re?  
You glow, oh-oh-oh  
Glow, oh-oh  
(Hey, hey!)  
Why don't you make a mo-o-o-ove?  
I see you shining throu-ou-ough  
You glow, oh-oh-oh  
Glow, oh-oh  
(Hey, hey!)

All my midnight sparkling for a ride  
Wanna make you mine  
You glow, oh-oh  
(Hey, hey!)

Why don't you make a mo-o-o-ove?  
I see you shining throu-ou-ough

You glow, oh-oh-oh  
Glow, oh-oh  
(Hey, hey!)  
Why don't you make a mo-o-o-ove?  
I see you shining throu-ou-ough  
You glow, oh-oh-oh  
Glow, oh-oh  
(Hey, hey!)

You glow, oh-oh-oh  
Glow, oh-oh
